1.	<u>Future Meetings</u> It was agreed that there should be an update on all bridleway issues at the beginning of each meeting and a structured approach to new bridleway upgrades with an update on progress made. Gill R is going to provide a display board. A sample of a good completed evidence form to be available so people can complete them to the required standard. The next path to go for upgrade is Woodtop – Dexine.	GR
2.	<u>Ding Quarry Meet</u> Joan Snowdon had been approached by the Ding Quarry Action Group requesting that we get some riders to attend a walk/ride up to Ding on 24 th February 2008. Gill R is to prepare a statement for the press on RBBA's views on Ding Quarry. To be included in the letter going out about the venue of the next meeting.	GR BB
3.	<u>Evidence Forms</u> Barbara is to provide Evidence Forms to be downloaded from the website.	BB
4.	<u>Heap Road</u> We need to get the house numbers on Hibson Avenue which back onto Heap Road and then the names of the occupants and also confirm the house numbers either side of the ginnell. We already have the landowners and occupants of the houses on Heap Road. Hope to complete before the next committee meeting and before any more of the new houses are sold.	BB
5.	<u>Status of Paths</u> Lynne asked if we could put some kind of explanation of the difference in the status of paths and the by-laws etc. onto the web. Joan said she had this and will provide.	JS
6.	<u>Bridleways Constitution</u> The Constitution needs to be updated with the new Chairman details and put on the website.	BB

7.	<p><u>Venue</u></p> <p>It was generally felt that the room at the Horse & Farrier was not big enough for a full meeting. However, it was agreed to hold the next meeting there. Lisa said that The Grapes had a room which we could use free of charge so we are going to go and take a look and hopefully find a suitable permanent home. Joan and Gwen have have been to look at the room since this meeting and we are booking it for all our future meetings as it is ideal (and free!).</p>	JS
8.	<p><u>Minutes</u></p> <p>It was felt that minutes needed to be taken at all committee meetings. Barbara agreed to do this. As this was raised quite late on in this meeting these minutes have been done from memory as no proper notes had been taken. Apologies for any omissions.</p>	BB
9.	<p><u>Ideas for Future Meetings</u></p> <p>Gill R suggested that we have a speaker at every other meeting and use the meeting in between for bridleway issues and general social evenings. Any ideas for guest speakers need to be put forward.</p>	All
10.	<p><u>Social Events</u></p> <p>It was agreed that any social events need to be self-funding either by charging an entry fee to cover any costs or holding a raffle.</p>	
11.	<p><u>Next Meeting</u></p> <p>TBA</p>
