	<u>Action Point</u>	<u>By</u>
1.	<u>Future Meetings</u> Gill to put an agenda together and get it posted on the website prior to the meeting on 31 st March 2008. Email to Enquiries@RBBA.org.uk . The meeting will look at the definitive map, rights of way definitions, current issues, etc.	GR
2.	<u>Sustrans</u> Gwen and Joan attended a meeting at the Town Hall on the Sustrans Project (cycleways). They have won money from the lottery fund. Gwen explained the work they were doing and will give a brief update at the meeting at the end of March.	GM
3.	<u>Upgrades</u> - <u>Heap Road</u> Prior to sending in the evidence to the council, Barbara to write to the Landowners to see if they have any objection to the route being upgraded. This could save us having to put the evidence in. <u>Woodtop</u> Lisa knows someone who works at the Land Registry and will try to find out who are the registered owners of the path. We will then contact the owners to see if they have an objection to the upgrade. The same needs to be done for the path behind the Dexine development and also the path up the side of the bird sanctuary.	BB LG/CG

6.	<p><u>Work Party – Golf Links</u></p> <p>It was agreed to organise a work party to clear the paths around the golf course. This is to be on 27th April 2008. BB to put details in newsletter.</p>	BB
7.	<p><u>Audit Trails</u></p> <p>It was agreed that audit trails should be kept of any ongoing projects so we can refer to them when things don't go according to plan and so that other members can pick up the work when someone is unavailable.</p> <p>Gwen to do this for Greenbooth if possible.</p>	GM
8.	<p><u>Gate on Bridleway at Broadhalgh</u></p> <p>BB to draft up a letter objecting to a gate on a bridleway in Broadhalgh.
